Flagstaff Campus Dates to Remember

3rd March—Primary School Swimming Sports –Bairnsdale

Principal's Message

Our Swimming Sports finished on Thursday with two Houses only one point apart at the top. This is a really nice reminder that when we say to students "have a go, every point counts", it's really true.

We have a big team heading to Orbost for the next round of swimming for secondary students tomorrow. We wish all of our students who go the next level representing our school success. Most importantly we are confident that we will be proud of their efforts and their good sportsmanship.

On Monday a small group of students from Years 5 – 12 gave up their class time to join a session run by VicSRC personnel. These guests helped our students think about student leadership and student voice so they could really think about whether they want to take on leadership roles, and what they might do to be good leaders.

Thanks again to all for maintaining the practices that are keeping our school community free from COVID at this point.

IMPORTANT INFORMATION FOR FLAGSTAFF PARENTS AND STUDENTS

As students find it a joy to do swimming sessions at school it is important they have their bathers packed every day. If it is difficult to remember to pack them an option is to leave them at school.

If students do not have bathers at school on swimming days they will not be able to participate in swimming sessions.

A further reminder that we need to be Sunsmart. Students must wear a hat during recess and lunchtime and to walk to the pool. We have limited spare hats which can be borrowed from the Sports Shed at the beginning on recess, but may need to halt this process as supply is ceasing to meet demand. Please ensure your students brings a named, brimmed hat to school every day.

If they are lost but named we can quickly match hats to the owners.

Year 7 and Year 10 Immunisation—7th March 9:30am

Reminder for Year 7 & 10 students to return completed consent cards to the office by the 7th March.
