Principal's Message

Last week of term

Have a great break - stay safe, relax and enjoy your time away from school.

For our big kids there will be some school work that needs to be done so this juggle is more complex. Big kids all around the state will be using some holiday time for revision, preparation for the next bit of learning and even exam practice, so we need to do that too. Just remember to include some rest and wellbeing time too.

Reports for Flagstaff students will be coming home with them on Friday, while students Years 7 to 10 at Tambo and VCAL students will have their reports sent in the mail. VCE students' reports will be available on the Wednesday night of Week 2 at Parent - Teacher interviews.

This has been a complex term for all of us. I thank you for the cooperation that has been shown.

Please stay healthy and if you are not well, be aware of the health advice for all of us and stay home and get well.

Enjoy the break, and I look forward to seeing you all at the start of Term 3.

Speaking Plainly in Times of COVID

Congratulations to Josephine Gallagher of Year 11 who entered the Plain English Speaking Award competition this year, and performed extremely well in it, despite the complexities presented by COVID 19 restrictions. Entrants in the PESA competition speak on a topic of their choice for 6 minutes, and then prepare and present a speech on a topic they are given only 4 minutes before they speak. This is a high level challenge against students throughout the state which this year was conducted not in person but by webex links, just to make it even more difficult.

To her great credit Josephine dealt with all of this with aplomb. She performed so well in the first round of competition that she proceeded to the state semi-finals, where again she performed really admirably. Josephine's speeches were thoughtful and thought provoking, engaging and authentic. Her manner throughout was a credit to her and to our school.

Well done Josephine.
